ENMISSION is a space where GOD JOINS US in prayer, offering, work, and contribution of human, logistical and financial resources of Christians and Churches ALL OVER THE WORLD and FOCUSES THEM on the UNREACHED so that YOUR CHURCH can DO IN UNITY with Others What you cannot achieve individually.

¿WHAT WE DO?

- We develop long-term projects towards UNREACH GROUPS.
- We build a structure of support and service to the areas of intercession, mobilization, training, sending and integral care of missionaries.
- We nurture the necessary synergy effect to move to new steps in the development of missionary work. (+ workers in the field)
- We show an example of unity in missionary work to the Unreached.
- We raise awareness and challenge others to join the Missionary Work to the UNREACHED.
- We create a network where candidates can be trained and present their projects.
- We had achieved growth in the number of long-term missionaries sent to UNREACHED GROUPS.
- We serve and connect pastors that wishes to do missions to UNREACHED GROUPS.
- We challenge ourselves with concrete goals of faith each month to continuously measure, evaluate and improve our work and ministry.

¿WHY WE DO IT?

1. Because God blesses the unity and even more so if it is focused on the mission of the UNREACH PEOPLE.
2. Because it places us on the state of obedience to Acts 1.8 (... UNTIL THE LAST OF THE EARTH).
3. Due to the need for a better structure and with more and varied resources to grow in missionary work to the UNREACH GROUPS.
4. Because cross-cultural missionary work is so demanding that requires many resources that we provided. (Candidates + resources + logistics)

¿FOR WHO IS ENMISION?

- 1. For churches, pastors, leaders, Christians, companies and ministries who want:**
- 2. Work in UNITY in the MISSION.**
- 3. A greater commitment to missions.**
- 4. An ongoing commitment to prayer, work, human, logistical and financial resources.**
- 5. A focus on the UNREACHED.**
